OFFICE POLICIES

Welcome to Austin Mind and Behavioral Health. We appreciate the opportunity to work collaboratively with you to provide care for you or your loved one. Please read the office policies carefully and feel free to ask any questions.

1. Appointments

Initial appointment can last up to 60 minutes. During this appointment information will be gathered to help develop a comprehensive treatment plan and then recommendations made for further care. An appointment does not guarantee that any specific medication will be prescribed. We do not offer walk in appointments. Please email to set up initial appointment as well as subsequent appointments. All patients under the age of 18 years have to be accompanied by a parent or legal guardian on every visit. For divorced parents, we require legal documentation authorizing you to seek medical care of the child prior to the visit.

2. Follow up Appointments

Follow up appointments are scheduled as per medical necessity to enable proper care of your medical needs. If a patient does not attend a follow up visit for more than 6 months, the patient will be considered discharged from the clinic.

3. Cancellation of Appointment, No show at an appointment or Late arrival.

If you do need to cancel or reschedule an appointment, request must be called in or emailed at least 24 hours before the scheduled appointment time. (For Monday appointments, request has to be made on the preceding Friday, before 12:00 p.m.). If you or your child miss an appointment without providing a 24 hour notice, a late fee of \$100.00 will be charged for the appointment. Please note that the charge for missed appointment is not payable by the insurance and you are responsible to pay the charge. If you or your child is more than 15 minutes late for the appointment, your appointment will be rescheduled to another available time and will be charged/billed for the appointment. In some cases, we may be able to see a late appointment, but please note that in such circumstances, the time for appointment may not be extended.
